Catholic School of the Arts & Sciences

CREATIVE ARTS SPONSORSHIP PACKET
Where creativity is the curriculum.

ABOUT ST. LAURENTIUS/VISION

Your children deserve to never lose their creative spark. As they grow older the world may attempt to dim this creativity but St. Laurentius School is dedicated to keeping that spark alive and growing. St. Laurentius School is the only Catholic School within Philadelphia dedicated to providing elementary students with a creative arts education. At St. Laurentius - creativity is the curriculum.

ABOUT THE CREATIVE ARTS CENTER/VISION/NEED FOR IT

We've been given the opportunity to transform a rectory into a Creative Arts Center and we need your support for the transformation. We're creating studios that will be filled with music, art, dance, opportunities for videography and photography, digital marketing, and more! This is a space where you get to cultivate creativity while supporting the next generation. Read on to see how you or your business or brand can further this cause while also being honored when you do.
